

## Networking event at the Holburne Museum, Bath Wednesday 24th May 4-6pm

Free event to celebrate the collaboration between heritage, cultural and creative learning settings in Bath and North East Somerset. Connecting people from schools, museums and other learning spaces, collaborating on projects to help change the way children and young people experience the world.

During the event we'll be updating on the wonderful progress of School without Walls in Bath. If you'd like to share something or have something you'd like to discuss or perhaps you'd like to find out how you can be more involved – please come along. Teachers, creatives, museum professionals we'd love to see you there.

This event is free but please contact [info@lightinguplearning.com](mailto:info@lightinguplearning.com) to let us know you'll be coming along.
